Returning residents must pay full duties and taxes unless they can prove when they originally left South Africa they did not intend to return.

Fumigation of Wood Packing Materials:

Effective January 1st 2005, shipments containing wood packing materials are required to have the wood fumigation mark ISPM 15. Inspectors from the South African Department of Agriculture will inspect imported shipments at South African ports to determine this requirement is being adhered to. Shipments containing wood packing with out this mark will NOT be allowed entry. You are strongly advised to check with your service agent at origin to ensure the packing materials used are in compliance with this South African Regulation.
